NLP Master Practitioner Certification Training

PROGRAM OVERVIEW

The Accelerated Master NLP Program is for people who want to take their skills in NLP to the Master level.

1. Master Neuro-linguistic Programming (NLP)

Quantum Linguistic – Conversational Change

- ✓ Learn how to dissolve limiting beliefs by the use of language alone
- ✓ Learn 16 ways to squash any type of objection in any area (Sleight of mouth)
- ✓ Learn the tools to remove problems with simply the use of your conversation
- ✓ Discover deeply unconscious barriers to your success and remove them!
- ✓ Learn Quantum Thinking for creating rapid results!

Values

- ✓ Learn Values level thinking so you are able to not only track your own level of consciousness, you will identify the Values level thinking in those you work with to enable you to align your services to produce even more powerful results.
- ✓ Understand the importance of Values,
- ✓ Discover how to elicit Values, and how they drive behaviours
- ✓ Align your values in different areas of life that matter most to you – Business/Career, Relationships, Health/Fitness.
- ✓ Learn how to identify and remove any part of your values that limit your growth
- ✓ Get rid of values conflicts (e.g. I want flexibility in my career, but I provide a service to clients and must be there for them)

Advanced SubModalities techniques

- ✓ Learn how to take your skills with SubModalities to the next level to produce mind blowing changes
- ✓ Create permanent change through changing the hardwired neurological drivers controlling your feelings

NLP Master Practitioner Certification Training

Advanced Strategies

- ✓ Develop your skills with Strategies by learning how to install strategies to change or install ANY behaviour.
- ✓ Learn to modify and change any strategy that is no longer assisting you in your life.

Modelling

- ✓ NLP is all about creating excellence. Modelling is the essential element for success! Identify and assess any behaviour from any successful person and learn how to install it in yourself.
- ✓ Learn how to replicate the success of the world's best and produce the results in your life NOW.

NLP Training Design & Presentation Skills

- ✓ Learn how to design a presentation to engage an entire audience, addressing the various learning styles of your audience, to support them to engage and gain value from your presentation.
- ✓ Learn how to present with the confidence of a leading speaker!

2. Time Line Therapy® Master Level

- ✓ Learn how to take a Detailed Personal History of your client so you can identify the patterns within the problem and recover the underlying context of the 'problem'. This process will enable you to solve ANY problem and become a bulletproof coach!
- ✓ Clean out every negative emotion from your past that has kept you prisoner.
- ✓ Learn and develop Master level skills in Time Line Therapy®
- ✓ Develop skills associated with Past Life Regression and how to access both your clients and your own past lives for ultimate healing and power.
- ✓ Learn the structure and process of conducting a breakthrough session to create OUTSTANDING results with your clients.
- ✓ WOW!! Experience your OWN personal breakthrough session!! This is your opportunity to take yourself to the next level in your personal life and coaching ability! Time to remove any residual limiting thoughts, negative emotions and every limiting behaviour that has sabotaged you up until now and create internal alignment to create anything you want in your life!!

NLP Master Practitioner Certification Training

3. NLP Coach Master Practitioner

This meets the standard of the ABNLP (American and Australia) & ABNLP Coaching Division so you have a worldwide recognition to coach from all over the world and coach people from all over the world!

- ✓ Fine tune your coaching skills and processes to create a foundation in your coaching business.
- ✓ Develop your sales skills to the next level.
- ✓ Learn the most important models for sustained rapid success for your clients.
- ✓ Learn how to create the superior results in both personal and business coaching.
- ✓ Learn the business building skills to create a 6 figure and 7 figure business!

4. Hypnosis Practitioner

Develop a fundamental understanding of Hypnosis. Learn Ericksonian techniques for working with a large range of individuals. Milton Erickson was the founding father of modern day Hypnosis, and through his creative indirect permissive skills, developed a method of producing significant change in individuals.

Learn the art of bio-feedback to communicate directly with your unconscious mind.

In this certification you will learn:

- History of Hypnosis
- Suggestibility Tests
- Inductions
- Post Hypnotic Suggestions
- Practical training and skill development

MAKE THE DECISION AND TAKE ACTION TODAY!

NLP Master Practitioner Certification Training

SARA ENGLISH- YOUR COACH AND TRAINER

Sara has always had a passion for assisting people to achieve and to improve, to being the best version of themselves.

Sara's background is in psychology, and with a growing interest in human behaviour and motivations for change, Sara continued her learning and welcomed the world of NLP, Time Line Therapy® and Hypnotherapy, which enabled her to not only embrace her own passion, but assist others in developing theirs.

Sara operates a success coaching and training business which has worked with individuals and businesses to take themselves to the next level of their success goals.

Sara believes that the only limitation a person has on themselves, is the one they place on themselves. If you want to let go of all limitations, this join Sara in this training and start of your journey TODAY!
